EXHIBIT 4

W. Bill - by Ms. Lynch Friedline

Q. And you had gotten out of the health center on March 12?

A. Yes.

Q. Were you driving yet?

A. No, sir.

Q. What you are saying is you don't have any recollection yourself of what happened that night?

A. No, I don't have no recollection.

Q. What you saw you think on the video in May at the preliminary hearing was that you walked down to the car yourself?

A. Well, I walked down myself today beside him, but he wasn't beside me. I didn't think he was.

Q. In that video you saw you didn't think the officer was beside you?

A. Yes, because when they showed it at that preliminary hearing -- see, the truck was sitting like this (indicating) when they came up that hill. That hill is steep that goes back onto that road.

Where he was standing and I was walking down you could see the road where I was
